## SWEET BEGINNINGS

*The Mancy name has been synonymous with the promise of quality, honest value, and family since 1921.*

Mancy's restaurants are so much more than good food. They are a Toledo legacy. For the descendants of Gus Mancy, food was a way of life. Legend has it that when he and his business partner went to lock up on Christmas Eve 1946, there were no keys to be found. One of them had always been there—24 hours a day, 7 days a week, for the first 25 years of operation. That legacy lives on today through the hard work and dedication of his grandchildren.
